

## Writing Week 8

This week you can have a choice of what you would like to write about each day. You can do one long piece of writing and add to it each day, or choose different pieces of writing.

Please remember with each piece of writing to revise and edit your work - spelling, punctuation, grammar - making sense, use of more descriptive words, literary devices etc.

Share with a family member if you like. You could even call or send to a grandparent, aunty, friend etc to read. We can't wait to read them as well.

# Diary entry - write about your time in lockdown as a keepsake. Include how you are feeling, what you are doing to cope with being in this situation, what things you and your family are doing, highlights, down times, etc.

# If you were given 1 million dollars what would you do? Explain why.

# Write a narrative (a story)

# Pick a room in your house and recount a story, real or fictional, about how a particular object in that room came to be there.

# Write about your biggest fear.

# Write about what you want to be when you grow up and say why.

# Turn the last song you listened to into a story.

# If you could travel back in time where would you go and why?
