

Dear Parent/Carer,

King Street Public School Facebook Page

We are excited to announce the launch of our brand new Facebook Page. The Page has been established to complement the school website. Along with our school app it will be used as a quick and easy tool to communicate information to our community. The page will offer day to day operational information such as the school calendar each week and also information pertinent to excursions and school events etc. Our key aim with the Facebook Page is to be a source of information and an avenue to celebrate school success. We will continue to distribute notes for school events and produce a weekly newsletter.

You can find the Facebook page through the following link:

www.facebook.com/kingstreetpssingleton

While we understand that not everyone is on Facebook, we hope our Facebook page will be a valuable means of communicating school events and successes with the community. We have utilised the Department of Education guidelines to ensure our Facebook page is secured. We post photos of students involved in different activities in the classrooms and around the school, student work, excursions and events and also post information about upcoming school events. **Students are not identified by full name on Facebook, and are not permitted to make comments on Facebook.**

Please complete the slip below indicating if you are willing to have your child's photo published on the KSPS Facebook page, and return to school.

Regards,

Ashleigh Blayden (Principal-Relieving)

I give permission for my child _____ of class _____ to have their photo published on the KSPS Facebook Page. (Please tick ✓ to show permission or choice)

OR

I do not want my child _____ of class _____ to have their photograph displayed on the KSPS Facebook Page.
