King Street Public School
Principal Cath Larkman

Care • Innovation • Opportunity • Quality

Week 10 – 11 December 2013

'Students are at the centre of what we do. Our goal is to improve education and learning outcomes for all students.'

These words are at the beginning of the Hunter Central Coast Regional Strategic Plan and very much drive the targets of King Street Public School.

2013 has seen a continued focus on our targets of Literacy, Numeracy and Engagement. Embedded in each of these targets is the Quality Teaching Framework which guides us in the day to day art of teaching itself. Our staff has also spent significant time planning and preparing for the new National English Curriculum which is mandatory from next year. We were also successful in our application for our Targeting Early Numeracy Grant earlier this year which involved K-2 classes.

This year our grounds committee (made up of members of staff, P&C and School Council) continued to concentrate on the promotion and appearance of our school. We now have extra signs around the school, improved gardens and are currently working toward an attractive entry into the school in King Street. Our community liaison team have improved the appearance and functionality of our website as well as developing our school prospectus, improving our newsletter and our new school app which has been very positively received.

The P&C and our School Council continue to support our school through major fundraising activities such as the ever popular Cracker Night and providing a wider community perspective on policy matters and school improvement. We thank them for their ongoing commitment, advocacy and support of our school community.

This year we welcomed Mrs Tan, Miss Merta, Miss Honeysett and Mr Ingram to our permanent staff. We have also been lucky to have employed Mrs Newton, Miss Gay, Miss Mclackland, Mrs Bowman and Mr Phelan on a temporary basis. We farewelled Miss Hulyer and Mr Beh. We thank Miss Hulyer and Mr Beh for their contribution to King Street. Our new staff are settling well into our school and are closely supported by our other teaching and administration staff.

Have a safe and Happy Christmas Season – *Cath Larkman*

1B and 1T Enjoy Counting Vehicles

On Thursday 4 December, 2013, 1B and 1T walked down to the front of the TAFE on the New England Highway. We have been talking about transport in HSIE and graphs in mathematics, so we surveyed the vehicles that drove past us. We discovered that the most popular form of transport is the car, that there were more vans than motorbikes and that we didn't see any emergency vehicles. Mrs Tan and Mrs Burgess picked a windy day so that the children had lots of practise in holding on to their piece of paper with one hand and keeping their hat on their head with the other! A great time was had by all and all the students were beautifully behaved.

Ebony off to Gallipoli

The staff and students of King Street were very excited to hear that our former student, Ebony Ford, was recently selected to represent Singleton High school in April 2015 at the centenary commemoration of the ANZAC landings at Gallipoli.

The selection process for Ebony began in last September, where she was required to research a selected soldier. Ebony researched her great, great, great uncle Peter (Todd) William Richmond who came from Delegate in the state's Snowy River District. Private Richmond saw service in Egypt, Gallipoli and France and was tragically killed at Pozieres in 1916 aged 26.

After a school interview, then a further interview at Muswellbrook, Ebony received the great news that she was heading to Gallipoli. She is naturally extremely excited about the 20 day trip, and will act as a roving reporter for a local media outlet while away. There is also a very fancy ball she is looking forward to attending!

All of King Street are very proud of Ebony's achievement and congratulate her on this outstanding honour.

A Rewarding Afternoon for 009 Leaders

Last Friday the year 6 students who participated in the 009 program had a reward afternoon. We were treated to pizza, a popper and an ice-block, and were allowed to bring in our electronics for the afternoon. We all had a fantastic afternoon, and we feel 009 was a great experience to be a part of.

We would like to thank all of the year 6 teachers for supporting us all year.

Phoebe and Millie

Sporting Star Sophie-May

Congratulations to Sophie-May R who is the recipient this year of the NSW Premiers Sporting Medallion. This award is presented to students throughout NSW who have shown sportsmanship and participation in their weekly sports program at school. Recipients show excellence and commitment as trainees, umpires and participants. Sophie-May was nominated by King Street staff.

Well done Sophie-May on this well-deserved honour.

A Cultural Day for Stage 2

On the 4th of December, Stage 2 had a Multi-Cultural Day filled with heaps of activities. We got to try some food from other countries. We got to dress up, and there were heaps of wonderful costumes. We had a wonderful day.

Brodie F

On Multi-Cultural Day everyone had to dress up as a country. All of the classes did activities about all different countries. After that everyone got their food that they made from different places. And then everyone went down to the car park and ate all the food.

King Street Mobile App NOW LIVE!

Great News! Our school now has a mobile phone app. What's that you may ask, it is a little application that sits on your phone and gives you instant access to our school information when you click on it, 24/7. The app is going to give parents the ability to instantly access newsletters without going to the website, or to send in a sick note while you stand outside the school because you forgot to write a paper note! We will be sharing many of the other features with you over the coming weeks, but for now download it to your smartphone by going to either the Apple App Store or Android Google Play Market and search for '**King Street Public School**'. Once you have found it press install or download.

Features of the School App include:

- Our mobile app will let you add Events instantly to your calendar. Just click on the event and look for the + sign in the top right hand corner. Press the + and the Event is automatically added to your phone's calendar. You can then set reminders for yourself. Some phone models may not allow this feature.
- When you touch a pin on the Venues map it will show you the details of that venue. And did you know that if you click on the Directions button a new map will open specifically for the venue. You can then press the Get Here button in the top right hand corner to get directions from wherever you are to the venue. Some phone models may display this slightly differently.
- You can share the app with friends and other school parents by clicking on the Tell Friend button located on the home screen.
- You can change your details or send an absentee note directly to the school, without having to use a piece of paper. Simply click on the relevant tabs on the app.
- The web site (showcasing events calendar and newsletter) is accessible directly through the app.

2013 Lolly Run

Singleton Fire Brigade members are running their 8th annual Santa Lolly Run again this December. Starting Monday the 9th of December Santa will be driving up and down the streets of town tossing lollies to all the good girls and boys on the foot path. Santa will do his best to drive up every street but just to be sure no one misses out he suggests all children go to their nearest corner or intersection when they hear the old fire engine siren. If the fire truck can't make it due to bad weather the will bring Santa on the same day the following week.

Santa will be traveling around Singleton between 4.00pm and 8.00pm from the 9th till the 13th of December in the following areas...

Monday—9th of December

Entire Heights area between the Highway and the Pinical

Tuesday – 10th of December

Hunterview and Pioneer Rd and Darlington, Dunolly and Glenridding

Santa is busy on Wednesday

Thursday— 12th of December

Queen Street through to Greenwood Avenue, and Maison Dieu, Gowrie and McDougals Hill

Friday—13th of December

York Street through to Kelso St and the railway line and York Street to the Civic Centre (between John and George St)

*Santa asks that all children put safety first and only stand on the foot path as he comes past and have a **VERY MERRY CHRISTMAS!!***
