Principal's Message

Term 4 Week 7 – 27th November 2019

Welcome to Week 7!

Last week was a huge week at KSPS, with leadership speeches and our annual Colour Run Fundraiser. This week has continued with the same excitement as our House Captain speeches and voting took place on Monday morning. I would like to say a big congratulations to all students who nominated to be leaders of their respective Houses. The counting of votes will take place this week with the candidates being informed on Monday Week 8. They will then be formally recognised at our Sports Assembly on Friday the 6th of December.

Last Friday we hosted our annual Colour Run Fundraiser. It was awesome to see all of our students, teachers and families getting involved in the fun. Big congratulations to Lexi Dunn for being the highest fundraiser with an effort that saw her totals reach over \$300!! Also, congratulations to S1H for being the class who raised the most funds – awesome effort, I hope they enjoyed their pizza lunch! My final thank you goes to Miss Hutchinson for the titanic effort behind the scenes to ensure the event was an absolute success!

Reminder: As we draw closer to the end of the term, teachers are busy organising end of year stage parties. Please make sure you have read relevant information, returned notes and paid money to the office. By completing these tasks in a timely manner you will be sure to secure your child's spot for their party day.

Next Friday we will be having our formal 2019 Sports Assembly. This is a special assembly to recognise all the efforts of our students in sport. There will be coaches awards, team and individual awards for students who represented at various levels throughout the year. We look forward to seeing you there – keep an eye out for letters coming home.

Lastly, please make sure you come along to support our Parliamentary Disco, which will be an excellent night of fun and dancing. Our class leaders have decided that any money raised will be passed onto the Rural Fire Service - a very worthy cause. Can't wait to see you all there for a boogie!

Meet your 2020 School Captains

We are very proud to introduce your School Leaders for 2020. Congratulations to Ethan, Harrison, Abbey and Shayna who got to make a very special phone call home last week. Our staff look forward to working with our new leaders in the coming year.

Sincere congratulations to all students who nominated for this role. It was wonderful to see so many students eager to take on the challenge. The 12 students who spoke to their peers last week all did a superb job and made voting a very difficult task. Well done everyone!

Grandparents Day

Each year at King Street we like to take time to acknowledge the wonderful grandparents that play such an important role in our school community. We are very fortunate to have numerous grandparents who support our students everyday by helping in our classrooms or Canteen, by attending their assemblies and special events or by listening to them read at home.

We were very pleased to welcome many grandparents to our classrooms last Friday for some special activities. We hope you enjoyed the time with your grandchildren as much as we enjoyed having you.

Tawny Badges for Students Displaying KSPS Values

The last Tawny Badge Assembly for 2019 was held last Friday. Congratulations to all those students who received a badge and who have been working hard to uphold our KSPS values of Kind, Safe, Proud and Supportive. Well done also to the AAA recipients and the students recognised by their Class Parliamentarian.

Two Year 6 students were recognised at our assembly for 'Commitment to the 009 Program in 2019'. Well done to Chloe and Chelsea who received this award. This is well deserved recognition for these dedicated students.

It was also a pleasure at the assembly to recognise our School Band and their commitment and participation this year. They have come a long way under the guidance of the very talented Mr Ward. Special mention must go to Katy, Heath and Sophie who are in Year 6 and will not be part of the band next year. Thank you to all 3 for your commitment over the years and well done to Sophie who was announced Bandperson of the Year.

COLOUR RUN 2019

Year 6 would like to thank all families for supporting this year's Colour Run fundraiser. Money raised will go towards their gift for the school. Thank you also to our dedicated staff for their enthusiasm and organisation.

Skills on Display in S1P

S1P combined skills they have learnt in class with a valuable life activity on Monday when they operated a 'restaurant' in their classroom.

This enjoyable activity involved 'waiters' writing orders, 'money' exchanging hands and polite social interaction amongst friends.

And to top off the lesson they got to eat some fruit and treats!

Would you like to Join our School Band?

Being a member of our School Band is a wonderful way of learning a new skill and making new friends from all year groups.

Band lessons take place every Friday with Mr Ward with the opportunity to rent or buy an instrument available.

If your child is in Years 2-6 and is interested please see our office staff.
