

# New Sentral Parent Portal APP Features 2020

Dear Parents/Carers,

Last week there was an update to the Sentral App.

If you have automatic updates on your smartphone, you should not need to do anything.

If it has not updated, simply delete then reload the App and it should download the new version.

The main changes to the app are a streamlined look for easier access and under the 'Links' section you can now enter our school Facebook Page.

As always, if you have any questions, please contact the office.

Thank you

Jonathan Russell  
Principal
