

King Street Public School Uniform Policy

Rationale: This document has been created in consultation with and is endorsed by the KSPS P&C, Students and Staff. The Uniform Policy applies to all KSPS students. This was ratified by the P&C Association in September 2020. In designing these expectations, we have considered the very strong desire for our school to be a school of excellence, for our children to have pride in attending our school and the belief that children need to be well-groomed, clean to enable them to have the confidence to perform at their best.

Department Policy: King Street Public School adheres to and is underpinned by the School Uniform Policy set by the NSW Department of Education.
