## School Excellence Vision Statement

King Street Public School is committed to creating a positive learning culture that provides students with a well rounded educational program that continually focuses on individual strengths, high expectations and impact on learning.

Every student is encouraged to give their best always in a challenging learning environment so that students can thrive and flourish in everyday society.

### FROM THE PRINCIPAL

King Street Public School is located at the south end of the town directly across the road from Singleton High School.

We have faithfully provided outstanding service to families of the Singleton area since 1964.

Our school is a driver in developing positive wellbeing of every person, student, parents and staff members. Positive well-being is at the centre of our programs which are designed to grow well-balanced individuals.

We believe in a positive and challenging learning environment where students can explore their creativity and innovation. At King Street Public School, students benefit from striving for high standards and achieving their best through our core values of being Kind, Safe, Proud and Supportive.

Students can be involved in a wide range of quality academic and extra-curricular programs that cater for all students from Kindergarten to Year 6.

Our school has a consistent mix of highly experienced and beginning teachers that are enthusiastic, caring and have a love of teaching.

I look forward to meeting you in the near future.

JONATHAN RUSSELL  
PRINCIPAL, KING STREET PUBLIC SCHOOL

# Innovative Leadership Initiatives

A major initiative at King Street Public School is our Leadership Program. We believe that effective leadership at all levels; students, staff and the school community give our students the models and opportunities they need to be an effective member of society.

Our active Student Parliament gives students from all grades leadership opportunities and responsibilities in crucial elements of school life. Leadership opportunities are also offered in the form of Sport House Captains.

At our school, Year 5 students are offered a unique opportunity in the form of our Tawny and Friends Program. Students are given responsibility for organising games and activities for other students in our school at recess time. Each leader is rostered on once a week, with a partner. Here they learn strategies to deal with possible issues in the playground. This program is extremely successful at our school, and one enjoyed by all students.

## A DYNAMIC SCHOOL COMMUNITY

**We are a welcoming and friendly school which enjoys a cooperative partnership with parents and the local community. Our school is fortunate to have an active parent body that works tirelessly to enhance our students' learning experience and environment. At all times we encourage you as parents or carers to be active participants in school activities, and we value your input into your child's education and all aspects of school life.**

**The school has a proactive Parent and Citizens' Association which has a fine tradition of representing the needs of our parent body, fund raising and promoting our school. They support the Principal in achieving goals. Through extraordinary fundraising initiatives the P&C is able to purchase extra classroom resources and equipment to benefit your child's school experience.**

**Recently the P&C has contributed substantially to our technology project allowing our school to purchase new iPads and interactive smartboards as well as assist in technology maintenance.**

**The P&C also fund the Year 6 Interrelate Program each year and generously provide all Kindergarten students with a hat on their first day of school. They host events such as Cracker Night which has become a much anticipated event enjoyed by the whole Singleton community. Our P&C are always happy to welcome new members.**

**The P&C meets on the first Monday of the month. For more information about meeting times and contact numbers, please contact our school office on 65722281. There are also regular opportunities for parents to meet teachers to discuss student progress and to enhance home learning to further support the educational goals of their children.**

# POSITIVE BEHAVIOUR FOR LEARNING (PBL)

**Positive Behaviour for Learning (PBL) is an evidence-based whole school process to improve learning outcomes for all students. Teachers deliver meaningful lessons where strategies for social success are taught to all students at King Street Public School.**

**Using the acronym KSPS, we ask all our students to be Kind, Safe, Proud and Supportive. PBL is team driven, using a problem-solving approach (data, systems and practices) that engages students, parents and all school staff. It addresses the diverse academic and social needs of every student to support them to be successful and enable our school to establish a continuum of supports that are intensified to meet the needs of every student at KSPS.**

**Our PBL Mascot, 'Tawny' the Tawny Frogmouth, is named after these beautiful animals, many of whom call our school home.**

## RECOGNISING STUDENT ACHIEVEMENT

At King Street Public School, we believe that recognition of student achievement plays a vital role in the development of an effective learning environment.

As a whole school, student achievement is recognised through the presentation of Tawny Badges.

These are awarded to students who consistently uphold the KSPS core values of Kind, Safe, Proud and Supportive and successfully complete their 'Stage Contract'. Tawny Badges are presented at our whole school PBL Assembly.

**KIND**

**SAFE**

## **A word from the School Captains**

King Street Public School is a school where students are given the opportunity to try something new. Where friendships are made, great minds are built, and adventures are discovered. Teachers engage students and help them to learn, listen and support one another.

Throughout the year, students have the opportunity to take part in all sporting activities, such as swimming, cross country, and athletics carnivals. During our time at KSPS, we have taken part in school, zone, and regional carnivals. We have also taken part in soccer, touch football, rugby union, basketball, rugby league and so much more.

If you would prefer something more peaceful, students have the choice to participate in Art Club, EWOKS, Debating, Star Struck, Lego Club, Chess Club, School Concert Band or School Choir. We also have wonderful staff helping in breakfast club every morning for if you come to school hungry.

In the classroom, students can excel in a range of subjects. Students have fortnightly PDHPE, Science and Music lessons taught by specialist teachers. We also learn skills in Maths and English using the laptops provided to every primary student.

This year as a school captain, we have had the opportunity to attend Young Leaders Day, ANZAC Day and present awards and tawny badges to our students. It has been an honour to represent our school in this way.

Year 6 students have been great buddies with our 2024 Kindergarten students. We have had a great year with all of these experiences. We have participated in many excursions and incursions, such as Heathy Harold, Goldfields, Canberra, Oakvale Farm and Baiame Caves just to name a few.

# Former Students Value King Street Public School

My name is Dana Holz, and I am a former student of King Street Public School and a current classroom teacher at KSPS. I started Kindergarten in 2005 at KSPS and in my time at the school I was elected Class Parliamentarian and represented the school at various sporting and creative events. I was elected as the Lawson House Captain and received the Dux award for academic achievement in my final year in 2011.

I have always loved learning, and this is something that is fostered and celebrated at KSPS. My love of learning ultimately led to me completing an education degree and becoming a Primary School Teacher in 2022.

The King Street Public School motto of 'Our Best Always' has always stuck with me and the school values of Kind, Safe, Proud and Supportive are values which I continue to uphold in my adult life. The values and skills I developed in my time at primary school have allowed me to become a person who values and cares for others and is determined to grow and improve in all areas of my life.

When I attended KSPS, the teachers were always supportive and allowed me to realise how important it is to keep on trying, even when things are hard. King Street Public School is a supportive environment which allowed me to grow as a person and learner. As a student, I was able to learn alongside other amazing students, many of whom I have remained friends with into adulthood. I was also lucky to be taught by many amazing teachers who demonstrated kindness and passion in everything they did. I loved being a 'King Street Kid' growing up and I am now lucky enough to teach at this great school.

As a new staff member, I have always felt welcomed and supported by other staff at KSPS and I now have the privilege of teaching alongside the most amazing teachers, some of whom even taught me when I attended the school.

King Street Public School embraces all students and works alongside the community to ensure that students and staff members feel welcome, are able to achieve and grow, and leave school each day with a smile on their faces.

I would absolutely recommend the school to future students.

# USEFUL INFORMATION FOR PARENTS

OUR KING STREET MOTTO IS OUR BEST ALWAYS. WE WILL DO OUR BEST TO ENSURE THAT YOUR CHILD WILL BE A HAPPY, RESPONSIBLE MEMBER OF OUR SCHOOL COMMUNITY.

**KIND SAFE PROUD SUPPORTIVE**

## STARTING SCHOOL SUCCESSFULLY

Starting school is an important step in a child's life. At King Street Public School, we believe in the importance of strong home/school, teacher/parent partnerships from the very first day of your child's schooling. We encourage all parents to participate and be involved in all aspects of their child's education and to become part of the school community.

For this reason, we organise preschool visits and an eight week Kindergarten transition program. This program provides opportunities for children starting Kindergarten to settle into a school routine, meet their teachers, mix with groups of other children and engage in both structured and unstructured play activities. Children are eligible to be enrolled in kindergarten when they reach the age of five years, or will turn 5 by 31st July during their initial school year.

### Tips to help your child for their first school year

- Be positive about school and learning.
- Talk to your child about school.
- Use your local library.
- Read to your child and talk about what might happen next in the story.
- Share many different experiences.
- Support your child in your home language.
- Provide a variety of play materials such as water, paper, pens, paint, scissors and glue.
- Encourage your child's curiosity by asking questions and encouraging questions in return.
- Label items, eg the door, the cupboard, the refrigerator etc.

### What does your child need to bring to school each day?

Books and pencils are provided for students in Kindergarten-Year 2. Each child will require their own art smock and library bag. A note will be sent home by the class teacher if anything additional is required.

Year 3-6 children need to bring their own basic equipment to school each day including lead pencils, pens, rubber, ruler, coloured pencils, sharpener, textas and pencil case.

It is advisable to have your child's name on all items that they bring to school.

# KSPS SCHOOL UNIFORM

## Appearance

### All children are expected to:

- Be clean and tidy each day. Students are allowed to bring roll-on deodorant if required. Spray deodorant is not permitted.
- Come to school wearing clean uniforms.
- Acceptable hair styles only – (Coloured hair, spikes, dreadlocks and Mohawk hair styles are considered unacceptable).
- Wear only blue or red head accessories.
- No henna or transfer tattoos, texta or glitter (except on special occasions with the permission of the Principal.)
- Wear only natural nail polish and clear lip gel.
- Wear only studs or sleepers in their ears with no more than two earrings in the lobe of each ear. (Other body piercings are not permitted to be worn at school or at school activities without approval (Plastic earrings may be accepted after consultation with Principal).
- Wear only "special" jewellery such as medical bracelets which have significance to be worn. Children wishing to wear such items should discuss their intention with the Assistant Principal before choosing to wear them.

NB: Many of these expectations are for Health & Safety and Wellbeing purposes.

# A-Z

## Aboriginal Education

KSPS employs a full time Aboriginal Education Officer (AEO). The AEO provides assistance to teachers, Aboriginal students and their families to support improved learning, welfare and well-being outcomes for Aboriginal students.

KSPS students collaborate regularly with Clontarf and Kayu Kumpa from Singleton High School.

We have a dedicated Yarning Circle and Bush Tucker Garden. Our Kingers Didgeridoo Group proudly share their culture at school and community events.

All students participate in Aboriginal culture excursions each year as part of NAIDOC week celebrations.

## Accidents and Illness

In the event of an accident or illness it is essential that you can be contacted. For this reason we have emergency/medical information that we ask you to complete.

The school should be contacted immediately if any of these details change.

## Allergy Aware School

We are an Allergy Aware School.

King Street Public School works with families in many ways to lower the risk of a child with allergies having an allergic reaction. All staff are trained in allergic reaction management.

We ask that families do not send nuts or products containing nuts to school.

## Ambulance

In the case of a serious accident, an ambulance will be organised and the school will contact the parents/carers as soon as possible. There is no cost to parents/carers when an ambulance is called by the school.

## Anaphylaxis

Parents/carers are to provide a copy of a child's *Action Plan for Anaphylaxis* in consultation with their GP and submit the plan to the office for any child who suffers from anaphylaxis.

## Asthma

Parents/carers are to provide a copy of a child's *Asthma Action Plan* in consultation with their GP and submit the plan to the office for any child who suffers from asthma.

## Assemblies

Assemblies are held in our hall every fortnight. Please refer to our school website, calendar or our weekly 'What's On' for details.

## Attendance

If your child is absent from school please provide a reason for their absence. This can be lodged via our School Bytes App or a phone message.

If your child will be absent for 10 days or more due to a family holiday an 'Application for Extended Leave (travel)' is required. This can be found on the School Bytes Parent Portal.

## Best Start

Best Start is a departmental initiative conducted in all public schools across NSW. King Street Public School has been a Best Start school since 2009.

Best Start involves assessing Kindergarten students to determine what knowledge they bring with them to school. The results are used to implement programs, assessments and reviews of individual students.

Assessments will be conducted during the first week of the school year. Parents will receive a report regarding their child's results.

## Birthdays

Please contact your class teacher if you would like to provide cake for your child's birthday. Cupcakes are preferred for easy distribution. Please do not send candles or knives.

Please be advised that we have a number of students and staff who are anaphylactic or are restricted to a gluten or dairy free diet. We are an allergy aware school.

## Book Club

Scholastic Australia is a book company which allows parents/carers to purchase books at an economical price through the school. Order forms are sent home a number of times throughout the year.

Book club orders are to be placed online through the Scholastic LOOP system. Log onto the Scholastic website to process. All orders accumulate points enabling our school to purchase books for our school library at no cost.

## Bus

King Street Public School students are expected to maintain our high standards of conduct when in public travelling to or from school. Students should travel to and from school using common sense and observing the bus and school rules.

All infants children travel free and primary children who live more than 1.6km away from the school (a radius with the school as the centre) are eligible for free transport to and from school.

The buses leave King Street entrance between 3.10pm and 4pm each afternoon, and children are supervised by school staff until they board their buses.

All students must now have an Opal Card to travel on school buses. Applications for bus travel can be made at [www.transportnsw.info/school-students](http://www.transportnsw.info/school-students).

## Canteen

The KSPS Canteen is operated by the P&C and raises money for our school. The Canteen provides a wide range of nutritious lunches at a reasonable price. A list of Canteen prices is on our School Bytes parent portal and website.

Children order lunch before the morning bell. Correct money should be placed inside a bag, which should then be dropped into the box on the counter at the Canteen with the student's name, class and order written on the outside of the bag.

Alternatively, families are able to place Canteen orders via the Flexischools App. The cut off time for ordering is 9am and orders may be placed 28 days in advance. For more details visit [www.flexischools.com.au](http://www.flexischools.com.au). Full details on how to register are also available on our school website.

Volunteering to work in the Canteen is a great way to meet other parents, and the children enjoy seeing their parents/family members being involved in the school community.

## Car Parking

Parents/carers are advised to observe the speed and parking signs near the school. It is not only illegal, but dangerous to disregard these signs. Police enforce the regulations.

The car park in King Street Gate 1 is for authorised Department of Education, delivery and emergency vehicles only. Please do not park in the car park to drop off or collect your child.

## Change of Details

It is important to notify the school of any change of details to legal, medical, address, phone, email etc so that our records can be kept up to date. 'Change of Details' Form can be found under the 'Forms' tab in School Bytes.

## Counsellor

King Street Public School has access to a school counsellor for 2 days per week. The School Counsellor is part of the Learning Support Team and is able to contribute information, understanding and advice on the learning and behaviour of students.

Referrals to the School Counsellor are prioritised by the Learning Support Team.

## Court Orders

Parents/carers must supply any relevant court orders or similar documentation to the school. If these orders are changed through the courts, an update must be sighted and copy kept at the school. The school cannot act only on parental verbal advice regarding custody orders.

Family Court orders are made with paramount consideration to the child's best interests. Schools will facilitate compliance according to the court orders.

## Enrolment

Children can be enrolled at school from Kindergarten to Year 6. Enrolments are done online via the school website. A Birth Certificate, up to date Immunisation Certificate and 100 points of proof of address are required for enrolling all children.

Children transferring from another school are identified on our computer system and all relevant information is requested from their previous school.

An Out of Area Application must be filled in for families residing outside the KSPS drawing area. In these instances, enrolment cannot always be guaranteed.

## Excursions

Where possible, all classes participate in planned excursions during the year that enhance their educational experience. These are arranged to support and stimulate learning in the classroom.

Parents are informed via email with the purpose of the excursion and the cost. Excursions, performances and cultural events are considered to be a part of our schools normal educational programs and children are expected to attend.

If you require financial assistance, please contact the Principal to discuss the matter confidentially.

## Fruit Break

We promote healthy eating and during the day we have a short fruit break. We encourage children to bring a piece of fruit e.g. small apple, banana, watermelon, rock melon, grapes, strawberries or carrot sticks in a container. No fruit in packets except for sultanas. Water only.

## Health & Safety

KSPS has an active Health & Safety committee. The committee meets regularly to monitor and assess the health and safety needs of school and implement policy requirements.

Please report any health and/or safety concerns to our school office immediately.

## Immunisation

'The Public Health' Act 2010 requires parents/carers to provide documented evidence of the immunisation status of all students enrolling in school. (This does not mean that immunisation is compulsory).

## Infectious Diseases

Please log on to the following website for the list of all infectious diseases and their time frames: [www.health.gov.au](http://www.health.gov.au).

If there is an outbreak in the school, information and fact sheets will be provided to the school community.

## Interviews

Parents are encouraged to come to school or discuss any relevant matters. In the first instance, contact should be made to the class teacher, as they can usually solve all problems/enquiries quickly and efficiently.

If the classroom teacher is not able to solve the problem, the Assistant Principal for the grade is the next person to contact. They supervise all classes on a Stage and will follow up on any issues you raise.

Please call the office to make an appointment to discuss any issues that may arise with the relevant staff. If you are not sure who to talk to, our friendly office staff can point you in the right direction.

## Items brought to school

The school bears no responsibility for items that are brought to school and are subsequently lost or damaged.

Any items that are valuable or fragile should not be brought to school. Students do not need large amounts of money at school.

## Late Arrivals/Early Leavers

If students arrive to school after 9.10am, they must present to the office with a parent/carer to be given a late arrival slip to take to their teacher.

If you need to collect your child early for an appointment please visit the office to have your child recorded as leaving. Students will be called to the front office to be collected. No adults are to go to the classroom to pick up children.

If your child is being picked up by a person other than the parent/carer or emergency contact, the parent must notify the school by phone or in writing prior to the pick up.

## Learning Support Team

The Learning Support Team meet on a regular basis in order to discuss planning and programs for both individual students and groups of students. Individual Education Plans are done in consultation with parents and the LST team.

## Library

All classes have fortnightly library lessons. Borrowing is undertaken during their lesson and a library bag is needed to protect books in transit to and from school.

Lost or damaged books are expected to be replaced by parents/carers, so please keep them out of the reach of younger children and pets.

## Lost Property

PLEASE LABEL all child's belongings.

If an item is found with the student's name on it, it will be returned to the child. Items without a name will be placed in the lost property crate. Lost property is sent to charities once a term if not claimed.

## Medication

If medication is required to be administered at school, written authority is required indicating dosage, time and special conditions. In the case of prescription medication, a document from the consulting doctor is required. Medication cannot be given without this authorisation.

'Administration of Medication' forms can be obtained from the front office. Medication, other than asthma puffers, must be stored in the office. It cannot be kept in student's bags.

## Mobile Phones, Smart Watches & other Devices

Once students arrive at school mobile phones, smart watches and other devices should be turned off. Phones, smart watches and other devices must be handed in at the front office and collected at the end of the school day by the student.

If a child fails to hand these items in, they will be given to the Principal to be kept in a secure location. Parents will then be required to collect the item from school.

Students must not lend a phone to another student for any use including, but not limited to, use as a phone, for text messaging or for use as a camera or a video recording device. The student who owns the phone will be held responsible for its use.

Students wishing to contact parents or carers during school hours will do so via the front office with the knowledge and permission of a member of staff. Filming and photographing by adults on school grounds is not permitted unless permission has been given.

## Notes & Money

All notes are now sent electronically with links to make payments. Alternatively, payments can be made via the School Bytes Parent Portal.

If any payments are to be made by cash, you can do so at our front office or place cash in a sealed envelope and mark clearly with the student's name, class and event.

## Office Hours & Admin Staff

### **OFFICE HOURS ARE FROM 8.30AM TO 3.30PM**

School Administration Manager - Cindy Judge

School Administration Officer - Samantha Morgan, Heather Philpott and Amanda de Somer

## OOSH (Before and After School Care)

Before and after school care operates in the hall Monday to Friday, facilitated by Cubby OOSH.

**Morning Session - 6.30am to 8.30am**

**Afternoon Session - 3.10pm to 6.00pm**

For further information please contact CUBBY OOSH 1300 553 583

## Parents & Citizens Association

The P&C Association is a school-based organisation with membership open to parents, staff and interested citizens.

What does the P&C do?

- Promotes the interest of the school by bringing parents, citizens and staff into close cooperation.
- Assists in providing facilities and equipment for the school and promoting the school.
- Encourages parent participation in curriculum and other educational issues in school.

The P&C meet the first Monday of every month at 6pm in the School Library.

## Parliamentarians

Classes elect a Parliamentarian for each semester (Kindergarten do not elect in semester 1).

The class Parliamentarian takes a leadership role and represents their class at events such as assemblies.

## Parent Participation

Parent participation is encouraged at King Street Public School. Showing an active interest in your child's education reinforces the importance of school and learning.

These are some of the ways you can participate in our school community.

- Join the P&C
- Read everything your child brings home
- Participate in surveys
- Volunteer in the Canteen
- Attend our special days

All parents who volunteer must sign a 'Volunteers Code of Conduct' form and a 'Working with Children Check' form, available from the front office.

## Photographs

Every year the school arranges for class, individual and sibling photographs to be taken by a professional photographic company.

All photographs are pre-paid and order forms and envelopes are supplied. Parents/carers are under no obligation to purchase the photographs.

# School Community Charter for Parents and Visitors to the School

The NSW Dept of Education School Community Charter can be found on our School website.

Parents/carers and visitors to the school are expected to:

- Not approach other children regarding issues that may arise. Please see a teacher.
- Report to the Office, sign in and receive visitor identification.
- Treat persons associated with the school with respect and courtesy.
- Follow requests of staff.
- Allow staff to supervise, investigate and manage students without interference.

## School Hours

The school is open to students from 8.40am.

**8.40am to 9.10am: Teacher supervision in the playground**

**9.10am to 11.20am: Morning Session**

**11.20am to 11.30am: Eating**

**11.30am to 12.00pm: Lunch**

**12.00pm to 1.40pm: Middle Session**

**1.40pm to 2.10pm: Recess**

**2.10pm to 3.10pm: Afternoon Session**

**3.10pm to 4.00pm: Bus Duty**

Students are not to arrive at school before 8.40am. There is no supervision prior to this time.

## School Uniform

Our school's uniform is available from the P&C's Uniform Shop. School uniform is worn Monday to Thursday and our Sports Uniform is worn on Friday.

Our Uniform Shop opening hours can be found on our weekly 'What's On', on Facebook and our website calendar.

## Special Religious Education (SRE)

Students attend Scripture lessons once a fortnight. If you do not wish for your child to attend scripture, please fill our form available on the School Bytes Parent Portal, or indicate your preference in the online enrolment process.

## Sport

We have 4 sport houses at King Street Public School

**Kendall – Red Paterson – Green Lawson – Blue Gordon – Yellow**

Each student (family) are placed into a house group and stay in that group throughout their Primary years.
